EXPERIENCE

Assistant Online Editor / VFX Artist, Revolution Post INC

Burbank, CA - 2021-Present

Prepares incoming footage for color processing by the in-house colorist. Assists with the online video editing and effects work on streaming content and broadcasts. Currently the head in-house vfx/motion graphics artist for Revolution Post. The duties include asset creation for lower thirds and titles and out/object removal from scenes.

Aired Work

- VFX paint out work on multiple Netflix shows including SCHOOL OF CHOCOLATE and GETTING ORGANIZED WITH THE HOME EDIT
- Prep work for network shows including CAL FIRE and BATTLEBOTS

IT-Tech / PA-Runner, Revolution Post INC

Burbank, CA — 2019 - 2021

Head IT Tech for Revolution Post's facilities nationwide. Tasked with incoming footage ingest, media management, and general assist duties on various projects ranging from color prep to vfx paint outs and blurs. Daily tasks included building and maintaining equipment and bays in the facilities.

Accomplishments

- Building out several high power workstations and bays used in the facility
- Assisted in the creation of fully remote workflows and system implementation

Office Manager, Industry Entertainment Partners

Los Angeles, CA — 2017 - 2019

The sole support employee for the Los Angeles office. Daily tasks included reel cuts/edits, image retouching, on-site technical support for Mac and PC, onsite video conference support, client relations, project coordination, and other various support services for the office.
